TRANSCENDENCE

BitcoinSubsidium

- Acts as digital gold reserve to TELOS
- Use it to store value in a coin with less devaluation (caused of supply)
- On top of XBTS everyone can create own ASSETS for 500 XBTS.
- Create utility token, Security Tokens or your own FUN-Token to share them with friends

SUBSIDIUM

BITCOIN SUBSIDIUM

TRANSCENDENCE

XBTS is created 40 times less per minute than TELOS
Therefore we call it Digital Goldreserve for TELOS as you can soon
Swap TELOS to XBTS

XBTS allows everyone to create own TOKENS covered by the XBTS
chain! This means companies and individuals can create own Assets
without any knowledge by spending XBTS and benefiting of the
Security provided by the XBTS Network
